Annex

Supervision agreement

The scholarly supervision of the thesis includes the doctoral candidate's right to guidance and support of the research work by the supervisor and, if necessary, other persons whose counselling may be conducive to the quality of the work. This supervision is conducted especially in regular individual conversations and regular participation in doctoral programme events and/or doctoral colloquia of the department or school. The first supervisor will monitor the quality of the doctoral thesis and support the independent scientific development of the doctoral candidate in word and deed.

At the beginning, the doctoral student will draw up a timeline for the project, which is to be regularly updated and discussed with the supervisor. The doctoral student will regularly present preparatory work or drafts in the above-mentioned colloquia or comparable events.
