

Declaration of Independence

I hereby declare that I have written this paper independently and have not used any sources other than those indicated, nor have I made use of any unauthorized external assistance. Furthermore, this paper was not produced with the unrecognizable use of generative AI. I also affirm that I have followed the general principles of scientific work and publication as set out in the guidelines for good scientific practice at Carl von Ossietzky University Oldenburg.

Furthermore, I declare that this work has not been submitted in the same or a similar form to any other examination authority.
