

Portfolio and Grading

Portfolio

The module ang071 runs over two semesters and contains two parts; to complete these two parts successfully, students need to successfully complete two portfolios, one for each of the two parts.

Each portfolio in the module consists of the following five elements:

- 3 written assignments
- 1 research paper outline plus problem-oriented sample analysis (RPOplus)
For a detailed overview of the requirements and tasks of the RPOplus please see:
HO RPOplus (Annotations)
- 1 test
The written test consists of twenty questions concerning relevant content from the lecture.

Grading

The portfolio is graded in its entirety. You may gain up to 300 points in total, i.e., up to 200 points in your RPOplus and up to 100 points in the test. The overall grades are distributed as follows:

Grades:

300-251 = 1,0

250-241 = 1,3

240-231 = 1,7

230-221 = 2,0

220-211 = 2,3

210-201 = 2,7

200-191 = 3,0

190-181 = 3,3

180-171 = 3,7

170-150 = 4,0

149-0 = fail
