

Stand 23.08.2024	Master Microbiology																			
Prüfungsberechtigungen	mar500 Physiology and diversity of microorganisms	mar510 Molecular mechanism and interactions	mar520 Main Module Proteomics	mar530 Main Module Ecophysiology of prokaryotes	mar540 Main Module Ecology of marine microbial communities	mar550 Profile Module Physiology of bacteria	mar560 Profile Module Fermentation	mar570 Profile Module Introduction into DNA - sequencing and sequence analysis	mar580 Profile Module Microbial ecology of marine sediments	mar600 Profile Module Methods in Aquatic Microbial Ecology	mar610 Profile Module Isolation and characterisation of microorganisms	mar620 Profile Module Marine Chemical Ecology	mar621 Profile Module Techniques in light microscopy and electron microscopy	mar622 - Profile Module R programming for (meta)-genomic sequence analysis	mar667 Recognition Profile Module I	mar668 Recognition Profile Module II	mar669 Recognition Profile Module III	mar630 Research Project	mar640 Research Project	mam Master Thesis Module
															*)	*)	*)	*)	*)	*)
Athale, Isha					x															
Brinkhoff, Thorsten, Apl. Prof. Dr.					x			x		x										
Degenhardt, Julius	x	x		x				x	x		x									
Engelen, Bert, PD Dr.	x	x		x		x					x									
Eren, Ahmet Murat, Prof. Dr.					x									x						
Feenders, Christoph			x																	
Füßel, Jessika	x																			
Garcia, Sarahi L., Prof. Dr.	x	x			x			x		x				x						
Giebel, Helge-Ansgar, Dr.	x				x					x										
Hamprecht, Axel, Prof. Dr.																				
Hillebrand, Helmut, Prof. Dr.																				
Kellermann, Matthias, Dr.												x								
Könneke, Martin, Prof. Dr.	x	x				x			x		x									
Milke, Felix, Dr.					x					x										
Moorhi, Stefanie, Dr.																				
Moraru, Liliana Cristina, Dr.																				
Nietzer, Samuel																				
Pohlner, Marion																				
Rabus, Ralf, Prof. Dr.		x	x				x													
Rohde, Sven, Dr.												x								
Schupp, Peter, Prof. Dr.		x										x								
Seidel, Michael, Dr.	x	x																		
Simon, Meinhard, Prof. Dr.																				
Striebel, Maren, Dr.																				
Struve, Torben, Dr.	x	x																		
Sultana, Sabiha					x															
Wienhausen, Gerrit, Dr.					x															
Wietz, Matthias, Dr.										x										
Wöhbrand, Lars, Dr.			x				x													
*) Alle Lehrenden des Studiengangs M.Sc. Microbiology (siehe Zeile 1)
