

Please fill out this form electronically and submit it with your application. Applications without this completed form will not be considered.

PERSONAL DETAILS

Last name: _____

First name(s): _____

Registration number: _____
(Will be provided to you once you have registered online via the university or uni-assist.)

E-mail address: _____

I agree to be contacted by e-mail for issues related to this application.)

ACADEMIC HISTORY

Relevant degree (usually Bachelor or equivalent)

(Please enter the details for the degree that **best** make you eligible for the Master of Biology programme. **Note:** the degree need not yet be completed; see **ELIGIBILITY.**)

Bachelor of Science

OR

Other, please specify: _____

Title of degree programme: _____

University: _____

Country: _____

Credit system

ECTS – Number of credit points (CP) earned to date: _____

OR

Other, please specify: _____

Number of equivalent units earned to date: _____

Number of equivalent units required to graduate: _____

ELIGIBILITY

Relevant degree

- I have completed my relevant degree or am missing at most 30 CPs (or the equivalent in a non-ECTS system) toward it.

My relevant degree

- was in biology or the equivalent (e.g., behavioural biology, biodiversity, ecology, evolutionary biology, molecular genomics, neurobiology, sensory biology, among others)

OR

- contained a minimum of 90 of 180 CPs (or 50% in the equivalent system) in biology or the related fields described in the previous point; please list:

Course / module title (number)	Credit points or equivalent

English language proficiency

Proof of English language proficiency at the B2 level of the Common European Framework of Reference for Languages (CEFR) according to at least one of the following criteria must be provided.

- My first university degree programme was taught in English and in a country where English or German is an official language
- I have passed an English language proficiency test no longer than five years ago

Test name: _____ Test date: _____

QUALIFICATIONS

All entries here must be supported by the appropriate documentation or explanation.

Grade for relevant degree

System / country: _____

Grade:¹ _____ *Points (up to 6.0)²* _____

Additional qualifications

- Relevant scientific publications, conference presentations or posters (as presenter / co-presenter), prizes, or distinctions

Summary or
explanation:

- Documentation is attached *Points (0.5 up to 3.0)²* _____

-
- At least three months of relevant project work outside of the course of studies

Summary or
explanation:

- Documentation is attached *Points (0.5 up to 1.0)²* _____

-
- Work as a student helper or tutor (e.g., for teaching or in a laboratory). Repeated activities (e.g., helping teach the same course twice) are not eligible.

Summary or
explanation:

- Documentation is attached *Points (0.5 up to 1.0)²* _____

¹ Leave blank if application is done via uni-assist

² Leave blank, will be filled out by the admission committee

- Relevant work experience equivalent to 12 months full-time (cumulatively)

Summary or
explanation:

- Documentation is attached *Points (0.5 if applicable)²* _____

-
- Studying outside of the country for at least one month as part of the course of studies

Summary or
explanation:

- Documentation is attached *Points (0.5 if applicable)²* _____

-
- Relevant social engagement of at least six months (cumulatively)

Summary or
explanation:

- Documentation is attached *Points (0.5 if applicable)²* _____

-
- Voting member of any university committees or student's associations

Summary or
explanation:

- Documentation is attached *Points (0.5 if applicable)²* _____

-
- Noteworthy family activities (e.g., raising children or caring for relatives)

Summary or
explanation:

- Documentation is attached *Points (0.5 if applicable)²* _____

-
- Relevant outreach activities in biology

Summary or
explanation:

- Documentation is attached *Points (0.5 if applicable)²* _____
