

**Invitation to a Guest Lecture  
at the joint colloquium of the Institute of Biology and Environmental Sciences and the  
Department of Neuroscience**

**Module bio890: Current topics in biology**

**Prof. Dr. Oscar Puebla**

(Leibniz-Zentrum für Marine Tropenforschung (ZMT) GmbH)

### **The biology of a rapid marine radiation**

Rapid evolutionary radiations offer a rare view into the process of species diversification. In this seminar I will dissect the potential drivers of such a radiation, the Caribbean hamlets (*Hypoplectrus spp.*).

**17.12.2025, 16:00 Uhr, W04 1-162 / hybrid**

Host: Prof. Dr. Gabriele Gerlach (Animal Biodiversity and Evolutionary Biology), IBU

Members of all institutes are cordially invited to join the lecture.
