

Name: Claudia Carter

Professional background: Researcher in environmental governance and management working mainly on national and international inter- and trans-disciplinary research projects

Present Appointment: Lecturer in Environmental Management and Policy

E-mail: claudia.carter@bcu.ac.uk

Professional Qualifications:

2013 PGCert Learning and Teaching in Higher Education, Birmingham City University
1995 MSc Environmental Management with distinction, University of Stirling
1993 MA(Hons) Geography, University of Aberdeen

Career History:

2006 – 2011 Researcher, Social and Economic Research Group, Forest Research
2002 – 2006 Researcher in Socio-Economics and Environmental Management, Macaulay Institute [now James Hutton Institute]
1998 – 2001 Research Associate, Department of Land Economy, University of Cambridge
1996 – 1998 Research and Publications Officer, UK Centre for Economic and Environmental Development
1996 Researcher, Department of Geography, University of Cambridge

Current teaching responsibilities:

Lecturer / leader of undergraduate and postgraduate modules on environmental governance and planning; ecosystem approach; environmental and climate change; environmental values, attitudes and behaviour; research design and methods

Professional responsibilities:

Associate Editor for Journal *Environmental Values* (since 2011)

Research activities:

(i) Recent research projects/grants

2012 to 2013: '**Tools: Applications, Benefits and Linkages for Ecosystems (TABLES)**', UNEP WMC National Ecosystem Follow-up Research funded by UK Research Councils, Defra and Welsh Government. Project: **WP9 Engagement with end users and development of a framework to prioritise tool development; WP10 Development and enhancement of tools and resources for with the finding/methods of the UK NEA**. Co-investigator (led by Alister Scott). £200,000.

2010 to 2012: RELU-funded research project on '**Managing Environmental Change at the Rural-Urban Fringe**'. Co-Investigator. £145,000.

2010: Evaluation study of the **Neroche Landscape Partnership Scheme** funded by the Forestry Commission. Project leader. Ca. £25,000.

2009: Research project funded by the Forestry Commission England on the '**Social use, value and expectations of England's public forest estate**'. Project manager and co-lead researcher with Anna Lawrence. £43,650 approved.

2007 to 2008: ESRC-funded project on '**Engaging with Rivers in a Period of Uncertainty**' led by Sheffield University. Project partner (leading evaluation component). Award of £76,607 of which £21,477 allocated to Forest Research.

2006 to 2009: Baseline assessment of existing **Offenders and Nature Schemes** run by the Forestry Commission. Funded by CFS and FC England. Project leader.

2005 to 2007: EC-funded research project on '**Reintegration of Coal Ash Disposal Sites and Mitigation of Pollution in the West Balkan Area**' (**RECOAL**). Project partner and Leader of socio-economic component (extensive stakeholder analysis; impact assessment of the different remediation options; development of decision support tools for use by local governance stakeholders). Forest Research budget: Euro 146,324 (of which 78,237 EC contribution).

2005 to 2006: As part of the NOLIMP '**3 Dee Vision Project**'. Sub-contract from Aberdeen University to assess inter-agency working between Scottish local case study, Aberdeenshire. Joint research with K. Blackstock. Subcontract: £7,623.

2004 to 2005: '**Achieving Sustainable Catchment Management: Developing integrated approaches and tools to inform future policies**', RELU Scoping Study. Project manager. £51,816.52

2004 to 2006: '**Participatory Approaches to Science and Technology**' (**PATH**), EC FPVI Science and Society programme. Joint Coordinator. Euro 254,609 (Euro 200,000 from the EC).

2002 to 2003: '**Consultative Institutions: Values and Information in a Changing Society**' (**CIVICS**), EC FPV European thematic network. Project manager. £124,700.

2000 to 2003: '**Frontiers in Ecological Economics**' (**FRONTIERS**), 2 EC High-Level Scientific Conferences. Leader in the design, writing and execution of the project, including budget administration and obtaining additional funding. Project manager / Chair of Scientific and Local Organising Committees. Euro 70,000.
