

Seminar announcement

Find out about
career paths of marine &
climate scientists!
What is their current job like?
How did they get it?
Which skills do they need?

Career Insights Online –

Federal authority & national research services

for young researchers enrolled in doctoral programmes at the Marine
Graduate Schools in Bremen, Bremerhaven, and Oldenburg

with: **Dr. Patricia Slabon**

works at the Federal Maritime and Hydrographic Agency of Germany (Bundesamt für Seeschifffahrt und Hydrographie, BSH) in Hamburg as Hydrographic Surveyor. She reviews seabed data from the North Sea and Baltic Sea e.g. for use in nautical charts but also develops new procedures to acquire and process the data.

Dr. Daniel Thewes

works for the University of Hamburg at the Department of Informatics, as part of the working group scientific computing, which is integrated into the German Climate Computing Center (Deutsches Klimarechenzentrum, DKRZ). He works with coupled 3D-ecosystem models used for eutrophication assessment.

Date & Time: June 25th, 2021 at 14:00 - 15:30

Format: online meeting via Cisco Webex Meetings

Language: English

Participants: maximum of 40

Target group: Early career scientists who are interested in broadening their horizon and getting new ideas for their own future career development.

Registration: sea.courses@awi.de

The seminar format "**Career Insights Online**" aims at introducing different job perspectives for marine and climate scientists in the widest sense and offers the possibility to get in touch with former members of the marine doctoral programmes in Oldenburg, Bremen and Bremerhaven. It focusses on career paths outside of academia and will give insights into job fields in, e. g. industry, (public) administration, consulting, and journalism. Speakers are asked to talk about their current position, the interdisciplinary skills they achieved during their doctorate, the career steps they took, as well as about work-family-life-balance. After a short presentation, participants will have the opportunity to ask questions to the speaker.
