

Time /Location

Guests are very welcome!

Wednesday: 08:15 – 09:45, Location: W37 0-002 (Campus Wechloy)

Date	Speaker	Topic
16.04.2024	Steffen Busse	„CAWIP – mHealth patient education with AR: current project status“
23.04.2024	Sönke Sevecke	„What role does PRG5 play in zinc transport?“
30.04.2024	Sepideh Abroon	„Establishing a new protocol for the new antibody of PRG3, 4, 5 by focusing on PRG5“
07.05.2024	Malte Dirksen	„Visualizing the effect of C-terminal swapping and coexpression of PRG3, 4 and 5 on multimerization using FLIM-FRET“
14.05.2024	Maryam Kheyrollah	„Role of Lysophosphatidic Acid on cornea nerve regeneration “
21.05.2024	Franziska Köper	„The physiological and pathophysiological role of PRG5 at membrane curvatures“
28.05.2024	Dr. Esther Maier/ Dr. Veysel Ödemis	„Less is more – development and assessment of a mixed reality clinical case-based teaching format in anatomy/orthopaedics“
04.06.2024	Shamashree Samantha	„to be announced“
11.06.2024	Danara Vonk	„Unraveling mechanisms important for PRG5 signaling and protein quality control“
18.06.2024	Felix Schönfeld	„to be announced“
25.06.2024	Supreet Arabi	„Recent advances in NPC1 research“
02.07.2024	Sepideh Abroon	„to be announced“
09.07.2024	Marie Koop	„to be announced“
16.07.2024	Lena Andersen	„to be announced“
