

# Neuroscience

Stand 18.11.2019

## Prüfungsberechtigungen

### Lehrende

	neu141 Visual Neuroscience - Physiology and Anatomy	neu150 Visual Neuroscience - Anatomy	neu210 Neurosensory Science and Behaviour	neu220 Neurocognition and Psychopharmacology	neu241 Computational Neuroscience - Introduction	neu250 Computational Neuroscience - Statistical Learning	neu280 Research techniques in Neuroscience	neu290 Biophysics of Sensory Reception	neu300 Functional MRI data analysis	neu306 Essentials of fMRI Data Analysis with SM and FSL	neu310 Psychophysics of Hearing	neu320 Introduction to Neurophysics	neu340 Invertebrate Neuroscience	neu345 Neural Computation in Invertebrate Systems	neu350 Biological Foundations of Neuroscience	neu360 Auditory Neuroscience	neu370 Neuroprosthetics	bio465 Introduction to Development and Evolution	bio484 Lab Exercises in Development and Evolution	bio605 Molecular Genetics and Cell Biology	bio665 Biochemical concepts in signal transduction	neu600 Neuroscience Research Project	neu610 External Research Module (6.03.610)	neu710 Neuroscientific Data Analysis in Matlab	neu720 Statistical Programming with R	neu730 Biosciences in the public eye and in our laws	neu740 Molecular mechanisms of ageing	neu751 Laboratory Animal Science	neu760 Scientific English	neu770 Basics of Statistical Data Analysis	neu780 Introduction in Data Analysis with Python	neu790 Communicating Neuroscience	neu800 Introduction to Matlab (6.03.800)	neu810 International Meeting Contribution	Masterthesis				
Ashida, Go					x									x								x	x																x
Anemüller, Jörn, Dr.						x						x											x	x															x
Bantel, Carsten, Dr.							x																x	x															x
Bräuer, Anja, Prof. Dr.																							x	x															x
Claußen, Maike, Dr.																							x	x															x
Debener, Stefan, Prof. Dr.																							x	x															x
Dedek, Karin, Dr.	x	x																					x	x															x
Dietz, Matthias, Dr.																	x						x	x															x
Ebbers, Lena, Dr.																							x	x															x
Gießing, Carsten, Dr.				x					x														x	x													x		x
Greschner, Martin, Prof. Dr.	x				x											x							x	x															x
Hartmann, Anna-Maria, Dr.																x							x	x															x
Herrmann, Christoph, Prof. Dr.																							x	x															x
Hildebrandt, Andrea, Prof. Dr.																							x	x															x
Hildebrandt, Jannis, Prof. Dr.			x		x																		x	x		x													x
Janssen-Bienhold, U., Apl. Prof. Dr.	x	x																					x	x															x
Klump, Georg, Prof. Dr.			x																				x	x															x
Koch, Karl-Wilhelm, Prof. Dr.																							x	x															x
Köppl, Christine, Prof. Dr.																							x	x															x
Kranczoch, Comelia, Dr.																							x	x			x												x
Kretzberg, Jutta, Prof. Dr.																							x	x															x
Langemann, Ulrike, Dr.			x																				x	x															x
Mertsch, Sonja, Dr.																							x	x															x
Mouritsen, Henrik, Prof. Dr.			x																				x	x															x
Neidhardt, John, Prof. Dr.																							x	x															x
Nolte, Arne, Prof. Dr.																							x	x															x
Nothwang, Hans Gerd, Prof. Dr.																							x	x															x
Owczarek-Lipska, Marta, Dr.																							x	x															x
Puller, Christian, Dr.	x																						x	x															x
Rieger, Jochem, Prof. Dr.						x																	x	x															x
Ruigendijk, Esther, Prof. Dr.																							x	x															x
Scholten, Alexander, Dr.																							x	x															x
Sienknecht, Ulrike, Dr.																							x	x															x
Sobotka, Fabian, Dr.																							x	x															x
Sörös, Peter, Dr.																							x	x															x
Thedieck, Kathrin, Prof. Dr.																							x	x															x
Thiel, Christiane, Prof. Dr.				x																			x	x															x
Weerda, Riklef																							x	x															x
Winkhofer, Michael, Prof. Dr.																							x	x															x
