MENTOR INTRODUCTION

Mentor Name: Urvi Mange

Age: 25 years

About me: I am curious, an extrovert yet socially awkward, and obsessed with researching things

What do I like (academically)? I enjoy understanding neurodiversity, neurodevelopmental conditions, and human behaviour

What do I like (hobbies)? I enjoy reading, researching, dancing, eating different cuisines, and learning novel languages

Plan of activities:

We can meet at Lappan and grab some coffee or food depending on what you prefer. We can go to watch the sunset at the outskirts of Oldenburg while enjoying some food and beers. We can plan further according to what the group decides.

Why be a Mentor (optional)?

I enjoy meeting new people and engage in intellectual discussions.

How will this benefit the Mentee (optional):

Hopefully, it will help you make friends and help acquaint yourself with the beauty of this city
