ABSTRACT

The seminar deals with the problem of sexual harassment in the workplace, legal protection for those affected and the duties of the supervisor and makes you familiar with concrete options for action. It is aimed for Equal Opportunities Officers, Managers and Others.

Seminar goal:

- Recognizing the roles and tasks in one's own professional field
- Expanding knowledge of content and legal backgrounds
- Raising awareness of the feelings and actions of those affected
- Creation of action competences taking into account existing framework conditions

Seminar focus:

- What is sexual harassment at work - definition and terminology
- Myths, fears, attitudes
- Consequences for those affected
- Legal basis
- Opportunities for action - from hearsay to the first conversation to stable support
- Preventive measures

This workshop is part of the lecture and workshop series:
