For a general overview of what will be offered, please check current or former semesters. When admitted, every exchange student will be assigned an academic advisor (departmental coordinator), who will help the student put together a suitable curriculum.</p>		
Courses taught in English	<p>1.) Within our six different schools, exchange students can study various subjects. Possible areas are for example: Business Administration, Chemistry, Computing Science, Education, English Studies, History, (Engineering) Physics and Social Sciences.</p> <p>2.) Our English-taught programme European Studies in Global Perspectives (EuGI) for exchange students can be studied for one or two semesters. It comprises key issues and various aspects of European societies, economies, and cultures, both present and past: https://uol.de/p42231</p>		
Credit system and workload	<p>The University of Oldenburg uses the European Credit Transfer System (ECTS). One ECTS credit point translates into roughly 30 hours of work, of which only a part is spent in the classroom. Regular full-time study is 30 ECTS per semester: https://uol.de/p21039en</p>		
Language requirements	<p>German-taught courses: minimum language proficiency of level B1 (preferably B2), B2 for German Studies/Germanistik (Common European Framework of Reference). This requirement has to be confirmed by the sending institution as part of the application for registration as an exchange student (see page 2 of the form).</p> <p>English-taught courses: minimum language proficiency in English of level B1 (preferably B2) resp. 4.0 (IELTS), 42 (TOEFL-iBT) or 550/120/120 (TOEIC), B2 for courses offered by the Institute for English and American Studies, European Studies in Global Perspectives (EuGI), Education and English international master programmes. Accommodation	<p>The International Office assists in finding accommodation. In cooperation with our Student Service Organisation and other local housing companies, there is a variety of options, e.g. single or shared rooms, unfurnished or fully furnished. Rents range from EUR 200 to 450 per month and must be paid in advance for 6 months. Usually a deposit is required as well. https://uol.de/p54744en</p>
Health insurance	<p>German law requires every student to have health insurance. We strongly recommend opting for a public health insurance (statutory health insurance), which costs about EUR 120 per month: https://uol.de/p54744en</p>
Fees and costs	<p>Students at the University of Oldenburg do not pay tuition fees. What they do need to pay is a semester contribution (administrative fee) of around EUR 350 that covers the transportation ticket (semester ticket) and some of the campus facilities. Students should transfer the fee to the university's bank account before the start of their exchange semester and keep proof (screenshot, printout, etc.). The proof is needed for the enrolment procedure: https://uol.de/p21039en</p> <p>Students in Oldenburg need around EUR 1,000 per month for living costs: https://uol.de/p52851en</p>

Visa information	Exchange students from the European Union, the EFTA (Norway, Iceland, Switzerland and Liechtenstein) and a number of other countries such as the United States, Canada, Australia, Japan and Chile can enter Germany without a visa. Students from non-EU countries require a residence permit to study in Germany (either prior to or after their arrival, depending on the country of origin). They have to demonstrate minimum funds of EUR 992 per month for the residence permit. This amount may be reduced if students can prove that the rental and incidental rental costs of their accommodation are lower than EUR 360. https://uol.de/p54744en
Travel instructions	Germany has a well-developed public transport system. Students who travel by train need to make sure to book train connections to Oldenburg (Oldb) (not Oldenburg in Holstein). It is easy to reach Oldenburg by train from any of the northern German airports such as Hamburg (HAM), Bremen (BRE) and Hannover (HAJ) or even Frankfurt (FRA).
Arrival	The expected arrival date for exchange students is, at the latest, the day before Welcome Week. We strongly recommend attendance: uol.de/en/welcome-week
