4. Academic Information *(continued)*

Are there any courses/ subjects closed to exchange students? If yes, please specify.

Exchange students can be allowed to register for all modules, provided they meet the requirement of the department.

Minimum requirements on specific subjects

Exchange student wanting to take second- and third-year modules must have done an equivalent lower level module as a pre-requisite.

Can internships be arranged for exchange students? If yes, is academic credit available?

No internships are offered by the Office for International Education to exchange students.

Are service learning or civic engagement opportunities available to exchange students? If yes, is academic credit available?

At Nelson Mandela University we offer study abroad students the opportunity to make a difference in communities where assistance is much needed.

Students can volunteer through our service-learning initiatives by assisting at one of our approved community-service learning projects.

This service learning is offered as a credit bearing module where students can obtain 8 NMU credits (2 USA credits / 4 ECTS credits) for volunteering 2 hours per week, attending community service-learning workshops and submitting a journal and visual presentation on their experiences at the projects.

Students can apply for community service learning during registration.
