

Diversity in the Classroom

Critical literacies for world citizenship

- 02 November 2023 in Leeuwarden (Netherlands)
- 10 November 2023 in Gqeberha (South Africa)
- 17 November 2023 in Oldenburg (Germany)

The (hybrid) international DAAD winter school will focus on

- how to “read” the production of differences in the classroom
- how to identify dimensions of hierarchy, power, and discrimination in processes of communication and interaction
- how to create an awareness of these differences
- how to develop world citizenship.

Students of teacher education are welcome to register here: www.uol.de/winter-school/registration
