

Teaching Across Borders 2026

- * Join this international online/hybrid learning event.
- * Experience an internship of another kind.
- * Get insight into schools abroad.
- * Work together with students and teachers from South Africa, Germany and the Netherlands.

Our focus this year is on racism and school.

We will be visiting a school in the Netherlands, in Germany and South Africa. For more information see www.uol.de/en/tab.
