

# International DAAD Winter School at the University of Oldenburg (Germany)

## Diversity in the Classroom: From Theory to Practice

7-11 November 2022 (hybrid)

The DAAD Winter School is concerned with hands-on approaches for embracing diversity in the classroom. Moving from theory to practice it will focus on:

- Decolonising the curriculum
- Multilingualism
- Cross-cultural teaching
- Sensitive language teaching
- Inclusion
- Digitalisation
