

Research Group **Medical Physics & Acoustics**

- Name: Prof. Dr. rer.nat. Dr. med. Birger Kollmeier
- Main research areas: Hearing research, speech recognition,
Auditory modelling, Hearing Aid processing
- Interested in: Psychophysics and models in medicine
- Expertise: Speech & Audio processing, managing large research projects
- looking for expertise in: Biomedical engineering, Audiology, Neuroscience
- E-Mail: birger.kollmeier@uni-oldenburg.de
