A network diagram consisting of several circular nodes connected by thin lines. The nodes are arranged in a roughly triangular shape. Some nodes are white with a grey border, while others are green with a grey border. The green nodes are positioned over the letters 'e', 't', 'i', 'l', 't', 'e' in the word 'erteilte' and the 'e' in 'systeme'. The white nodes are positioned over the 'e' in 'system', the 'w' in 'software', and the 'e' in 'systeme'. The connections form a complex web between these nodes.
