

Security briefing for stays abroad

We would like to point out to the students/staff of the Carl von Ossietzky University Oldenburg that the German Foreign Office regularly publishes travel advice, safety instructions and travel warnings.

We ask students/staff to inform themselves regularly about the current security situation before starting their mobility and during their stay abroad, either on the homepage of the Federal Foreign Office

http://www.auswaertiges-amt.de/DE/Laenderinformationen/Uebersicht_Navi.html

or via the "Travel App" of the Federal Foreign Office:

<https://www.auswaertiges-amt.de/de/app-sicher-reisen/350382>

We would also like to inform you that as a German citizen you can register with the "Elefand" crisis prevention list:

<https://elefand.diplo.de/elefandextern/home/login!form.action>

If you are a citizen of another nation, you can check with your country's consulate to see if they offer this registration service.

If you start your mobility, you do so at your own request and at your own risk.

You undertake to inform the International Office immediately if, due to a change in the security situation or a current travel warning issued by the Federal Foreign Office in your host country, you do not start your mobility or cancel or interrupt it.
