

Application Form

Research-Based Learning Instructional Projects

1. Funding is requested for

Summer Semester

Winter Semester

Course number	
Title	

2. Applicant Information

Prefix / Title if applicable	
Last name	
First name	
Institute or Department / School	
Email, phone	

3. Cost Calculation

a) Student Assistants

As the cost of student assistants depends on a number of factors, we recommend that you calculate the costs generously, using the maximum rates for graduate / non-graduate student assistants, to ensure that the approved funding is sufficient. When calculating personnel costs, please remember to consider the annual bonus (i.e. "Weihnachtsgeld"), if necessary. Current hourly rates can be obtained from [Devision 1](#). The maximum funding for each project is €3,000.

Number of students	Number of months	Amount
Total Personnel		

Short description of the tasks (bullet points):

b) Material Resources

For purchases over €500, please submit a price quote.

Purpose	Amount
Total Material Resources	

c) Total for the Project

Project Total	
----------------------	--

4. Additional Documents

□ Short description of approaches and methods for implementing research-based learning (max. 4,500 characters including spaces and paragraphs) and expected number of students. Please use the text box on page four for this purpose. A maximum of one illustration may be attached as a separate file. References may be included in a separate document if necessary.

Please send your complete application to forschen-at-studium@uol.de

- The submission deadline for funding in the summer semester is 10 January.
- The submission deadline for funding in the winter semester is 10 June.
