## Tips for your Trip

The climate in north Germany in May is between spring & summer. It is around 10°C – 20°C. Nights are slightly colder than noon. Between that, you can expect rain as well. Carrying a “lightweight” backpack is wiser. Don’t take too much weight in your bags, if you want to enjoy the walks. We guess you will need these below items according to your preferences.

- Please have your passport and student-ID (if applicable) with you.
- Please bring a water bottle (and snacks of course) with you.
- Don’t forget to bring required seasonal medicine according to your medical status. Eg: Pollen allergic medicines, when you have allergies against pollen.
- A wind jacket is always good in North Europe, but you may also need a Hat and a sunscreen cream as well as enjoy sunglasses.
- Please consider and check whether you have a travel insurance which covers international travel and if you have the contact details saved – this is never bad to have with you ;-)
- Please don’t take anything from the sites illegally and don’t leave anything rather than your footsteps – thank you!
