# IPID4all Overview

## Programme

- Administered by the DAAD and financed by the BMBF
- Up to 150,000 euro per year from DAAD
- Personnel
  - 25% scientific coordination + 50% administrative coordination
  - student assistants
- Travel and stay support

**DAAD Goals** are to strengthen and increase:

- Internationalisation and structuring of the doctoral phase
- International research co-operations

## IPID4all Overview

### Mobile Doctorates in System Integration of RE

- 35 incomings/outgoings per year
- 2 doctorate seminars per year
- Improved structure for international students
- Co-operation agreements with international universities
- The internationalisation of renewable energy research as a role model for other research areas at UO

### Participating research groups

ENERiO + Research Groups Lienau, Marx Gomez, Pehlken

## IPID4all Travel and Stay Support
